

State of Florida
Law Enforcement Bargaining Unit
Notice of Ratification Election

Let's try this again with better mailing addresses! As you are aware the past several years have been very difficult for State employees and State law enforcement officers. This year the PBA and its lobbyists battled with the State and the legislature over major issues such as pension benefits, health insurance, health insurance subsidies and wages. With the help of Governor Charlie Crist, the Florida PBA was successful in beating back changes that would have harmed your retirement and health insurance benefits. Layoffs were also successfully beaten back. Still, the PBA recognizes that your wages went, for the most part, unchanged.

Now it is time to ratify the new collective bargaining agreement with the State. It is largely a "status quo" contract, meaning nothing much has changed. However, it is extremely important to ratify the agreement and protect the benefits you have in place! As you have all seen this year, the State's financial position is poor and when it is poor, the tendency of the legislature (politicians) is to take benefits away from State employees. If the contract benefits are not protected by a ratified agreement, they can be modified or lost!

THE FLORIDA PBA AND I, PERSONALLY, URGE YOU TO VOTE "FOR THE AGREEMENT." IT IS THE ONLY WAY TO PROTECT WHAT WE HAVE! AND, WE WILL KEEP FIGHTING TO PROTECT AND IMPROVE YOUR BENEFITS! THANKS FOR LISTENING AND STAY SAFE. ~ Matt Tyre, President, State Law Enforcement Officers Chapter

REMEMBER: THE COLLECTIVE BARGAINING AGREEMENT MUST BE RATIFIED IN ORDER TO PROTECT THE WAGES AND BENEFITS CONTAINED IN THE AGREEMENT. DO NOT LEAVE YOUR BENEFITS IN THE HANDS OF THE POLITICIANS. VOTE "FOR" THE AGREEMENT.

AGREEMENT

THIS AGREEMENT is between the State of Florida (hereinafter called the "State") and the FLORIDA POLICE BENEVOLENT ASSOCIATION, (hereinafter called the "PBA") representing the employees in the Law Enforcement Bargaining Unit.

PREAMBLE

WHEREAS, it is recognized by the parties hereto that the declared public policy of the State and the purpose of Part II, Chapter 447, Florida Statutes, is to provide statutory implementation of Section 6, Article I of the Constitution of the State of Florida, and to promote harmonious and cooperative relationships between State government and its employees, both collectively and individually, and to protect the public by assuring, at all times, the orderly and uninterrupted operations and functions of State Government; and

WHEREAS, it is the intention of the parties of this Agreement to set forth the entire agreement with respect to matters within the scope of negotiations; and

WHEREAS, the above language is a statement of intent and, therefore, not subject to the grievance procedure as outlined in Article 6;

NOW, THEREFORE, in consideration of the mutual covenants herein contained, the parties do agree as follows:

Article 1 RECOGNITION

(A) The State hereby recognizes the PBA as the exclusive representative for the purposes of collective bargaining with respect to wages, hours, and terms and conditions of employment for all employees included in the Law Enforcement Bargaining Unit.

(B) The bargaining Unit for which this recognition is accorded is as defined in Certification Number 1281 issued by the Florida Public Employees Relations Commission and as subsequently amended by the Commission.

(C) This Agreement includes all full-time and part-time Career Service employees in the classifications and positions listed in Appendix A of this Agreement.

Article 2 GENDER REFERENCE

All references in this Agreement to employees of the male gender are used for convenience only and shall be construed to include both male and female employees.

**Article 3
DUES CHECKOFF**

SECTION 1 - Deductions

(A) During the term of this Agreement, the State, by and through its respective agencies, agrees to deduct PBA membership dues and uniform assessments, if any, in an amount established by the PBA and certified in writing by the President of the PBA or his designee to the State from the pay of those employees in the bargaining Unit who individually make such request on a written checkoff authorization form provided by the PBA (Appendix B). Such deductions will be made by the agency when other payroll deductions are made and will begin with the pay for the first full pay period following receipt of the authorization by the agency.

(B) The PBA shall advise the State of any uniform assessment or increase in dues in writing at least thirty (30) days prior to its effective date.

(C) This Article applies only to the deduction of membership dues and uniform assessments, if any, and shall not apply to the collection of any fines, penalties, or special assessments.

SECTION 2 - Remittance

Deductions of dues and uniform assessments, if any, shall be remitted exclusively to the President of the PBA or his designee, by the respective agencies on either a biweekly or monthly cycle along with a list containing the names and social security numbers of the employees for whom the remittance is made.

SECTION 3 - Insufficient Pay for Deduction

In the event an employee's salary earnings within any pay period, after deductions for withholding, Social Security, retirement, State Health Insurance, and other priority deductions, are not sufficient to cover dues and any uniform assessments, it will be the responsibility of the PBA to collect its dues and uniform assessments for that pay period directly from the employee.

SECTION 4 - Termination of Deduction

Deductions for PBA dues and/or uniform assessments shall continue until either: (A) revoked by the employee by providing the State and the PBA with thirty (30) days written notice that he is terminating the prior checkoff authorization; (B) revoked pursuant to Section 447.507, Florida Statutes; (C) the termination of employment; or (D) the transfer, promotion, or demotion of the employee out of this bargaining Unit. If these deductions are continued when any of the above situations occur, the PBA shall, upon notice of the error, reimburse the employee for the deductions that were improperly withheld.

SECTION 5 - Indemnification

The PBA shall indemnify, defend and hold the State of Florida, its officers, officials, agents and employees, harmless against any claim, demand, suit, or liability

(monetary or otherwise) and for all legal costs arising from any action taken or not taken by the State, its officials, agents, and employees in complying with this Article. The PBA shall promptly refund to the State any funds received in accordance with this Article which are in excess of the amount of dues and/or uniform assessments which the State or its agencies have agreed to deduct.

SECTION 6 - Exceptions

The State will not deduct any PBA fines, penalties, or special assessments from the pay of any employee.

SECTION 7 - Dues Checkoff Authorization Form

(A) The Dues Checkoff Authorization Form (Appendix B) supplied by the PBA shall be the only form used by bargaining Unit employees who wish to initiate dues deduction and shall contain all the information required by the Form prior to submission to the State. Any change in this Form will not affect deductions authorized by forms that the parties have previously agreed to.

(B) The State will not be required to process Dues Checkoff Authorization Forms that are: (1) incorrectly and/or incompletely filled out; (2) postdated; or (3) submitted to the State more than sixty (60) days following the date of the employee's signature. The State will return invalid Dues Checkoff Authorization Forms to the PBA.

Article 4 NO DISCRIMINATION

SECTION 1 - Non-Discrimination Policy - State-Federal Law

(A) The State and the PBA shall not discriminate against any employee for any reason prohibited under Florida Statutes or any Federal Law.

(C) Any claim of discrimination or sexual harassment by an employee against the State, its officials or representatives, except for grievances related to PBA membership, shall only be subject to the method of review prescribed by law or by rules and regulations having the force and effect of law.

SECTION 2 - Non-Discrimination Policy - PBA Membership

Neither the State nor the PBA shall interfere with the right of law enforcement employees covered by this Agreement to become or refrain from becoming members of the PBA, and neither the State nor the PBA shall discriminate against any such employee because of membership or non-membership in any employee organization.

SECTION 3 - Affirmative Action and Americans with Disabilities Programs

The Parties agree that during the first year of the initial collective bargaining agreement that the PBA may contact each law enforcement agency for the purpose of conducting a consultation meeting. Such meeting shall be conducted in accordance with the provisions of Article 5 of the Agreement. At the initial meeting, the agency shall provide to the PBA an orientation to the agency's current affirmative action program and efforts to comply with the Americans with Disabilities Act.

Article 5
EMPLOYEE REPRESENTATION AND PBA ACTIVITIES

(A) From employees in the bargaining unit, the PBA shall select a reasonable number of PBA Grievance Representatives, and shall furnish to the State and keep up-to-date a list of all such employees authorized to act as Grievance Representatives. The State will not recognize any grievance or staff representative whose name does not appear on the appropriate list. In addition, the PBA shall furnish to the State and keep up-to-date a list of PBA Staff Representatives. Where PBA representation is requested by an employee, the representative shall be a person so selected and designated by the PBA.

(B) Where PBA representation is not requested by the employee, the PBA shall be notified of, and be given an opportunity for a Staff Representative to be present at, any meeting held concerning the grievance.

SECTION 2 - Representative Access

The State agrees that recognized representatives of the PBA shall have access to the premises of the State which are available to the public. If any area of the State's premises is restricted to the public, permission must be requested to enter such areas and such permission will not be unreasonably denied. Such access shall be during the regular working hours of the employee and shall be restricted to matters related to the application of this Agreement.

SECTION 3 - Documents

(A) The State shall provide the PBA with the following:

(2) Each agency in which there are bargaining unit employees shall furnish to the PBA a current copy of the agency's rules, regulations and policies which affect bargaining unit employee's terms and conditions of employment covered by this Agreement and which are not included in the Rules of the State Personnel System. Changes and updates shall be furnished to the PBA as they occur. If an agency publishes and timely maintains on the internet any of the documents referenced in this part for use by its employees, such shall serve as

the copies furnished to the PBA. This does not relieve the affected agency of the duty to notify the PBA as changes and updates occur.

(B) The State shall provide each bargaining unit employee with the following:

(1) Access to a copy of the applicable Rules of the State Personnel System; and

(2) A copy of any department rules, regulations or policies which affect the employee's salary, benefits or terms and conditions of employment. Changes and updates shall be furnished to the employee as they occur. Employees shall execute a receipt when receiving the above documents which shall be placed in the employee's personnel file.

(C) An employee claiming that he has been denied access to a copy of the Rules of the State Personnel System shall notify the agency personnel and request a copy of the Rules of the State Personnel System desired. Only after such request has been made and denied may a grievance on Paragraph 1 be filed.

SECTION 4 - Consultation

(A) Upon request by the designated PBA Staff Representative, the Secretary of the Department of Management Services and/or his designated representatives shall meet and consult on a quarterly basis with three (3) PBA representatives. Such meetings shall be held at a time and place designated by the Department of Management Services.

(B) Upon request by the designated PBA Staff Representative, but not more often than once in each calendar month, the Agency Head and/or his designated representatives shall meet and consult with not more than two (2) PBA representatives from the Agency and PBA Staff Representative. Such meetings shall be held at a time and place designated by the Agency Head.

(C) Upon request by the designated PBA Staff Representative, but not more than once in each calendar month, the Step 1 Management Representative shall make a good faith effort to meet and consult with the PBA Staff Representative and not more than two (2) PBA representatives from the Agency. Such meetings shall be held at a time and place to be designated by the Step 1 Management Representative.

(D) All consultation meetings will be scheduled after giving due consideration to the availability and work location of all parties. If a consultation meeting is held or requires reasonable travel time during the working hours of any employee participant, such participant shall be excused without loss of pay for that purpose. Attendance at the consultation meeting outside of regular working hours shall not be deemed time worked.

(E) The purpose of all consultation meetings shall be to discuss matters relating to the administration of this Agreement and agency law enforcement activities which affect Unit employees; and no such meeting shall be used for the purpose of discussing pending grievances or for negotiation purposes. No later than seven (7)

calendar days prior to the scheduled meeting date, the parties shall exchange agenda indicating the matters they wish to discuss.

SECTION 5 - Bulletin Boards

(A) Where requested in writing, the State agrees to furnish in a permanent State-controlled facility to which any bargaining unit employees are assigned, wall space not to exceed 24" x 36" for PBA -purchased bulletin boards.

(B) When requested in writing, the State agrees to furnish at an academy in an agency-controlled facility, wall space not to exceed 24" x 36" for a PBA - purchased bulletin board.

(D) Notices posted on these bulletin boards shall not contain anything reflecting adversely on the State, or any of its officers or employees; nor shall any posted material violate any law, rule, or regulation.

(E) Notices posted must be dated and bear the signature of the PBA's authorized representative.

(F) A violation of these provisions by a PBA authorized representative shall be a basis for removal of bulletin board privileges by the Department of Management Services.

(G) Each agency shall cooperate with the PBA to maintain PBA bulletin boards free of postings by non-PBA individuals or organizations.

SECTION 6 - Class Specifications and Rules Maintained

The State will maintain on the internet the classification specifications and the Rules of the State Personnel System which it has published, and which affect employees within the bargaining unit.

SECTION 7- Negotiations

(A) The PBA agrees that all collective bargaining is to be conducted with State representatives designated for that purpose by the Governor, as chief executive officer. Negotiating meetings shall be held in Tallahassee unless the State and the PBA mutually agree to meet elsewhere at a State facility or other location which involves no rental cost to the State. There shall be no negotiation by PBA at any other level of State government.

(B) The PBA may designate up to eight (8) employees within the Unit to attend each single-day session as Negotiation Committee members and such employees will be granted administrative leave to attend negotiating sessions with the State. If travel to and from negotiations unavoidably occurs on work days immediately preceding or following a day of negotiation, Unit employees shall be eligible to receive administrative leave on an hour for hour basis for such reasonable travel time pending review and approval by the employing agency. If the PBA chooses to hold a negotiation preparatory meeting on the calendar day immediately preceding a scheduled negotiation session, negotiation committee members will be granted administrative leave for attendance at such meeting. Administrative leave for travel time to such preparatory meeting is limited to the day of the preparatory meeting. No individual employee shall be credited with more than the number of hours in the employee's regular workday for any day the employee is attending negotiations or traveling to or from negotiations. The time in attendance at such negotiating sessions shall not be counted as hours worked for the purpose of computing compensatory time or overtime. The Agency shall not reimburse the employee for travel, meals, lodging, or any expense incurred in connection with attendance at negotiating sessions.

(C) The selection of any employee shall not unduly hamper the operations of the work unit. No more than one (1) employee per agency shall attend a single day session.

SECTION 8 –Changes To Policies

(A) The State shall provide reasonable notice to the PBA of amendments to existing policies that result in change in a mandatory subject of bargaining.

(B) After notice, the PBA may obtain an opportunity to consult with an agency on a change in a mandatory subject of bargaining provided that the PBA makes a request in a reasonable timeframe. If consultation is unsuccessful the matter will be referred to Department of Management Services to bargain over the proposed change.

(C) Where the proposed changes affect the entire bargaining unit, and relate to mandatory subjects of bargaining, the PBA and the State shall meet to bargain the proposed changes.

(D) Nothing herein shall preclude the PBA from filing a grievance if the proposed changes violate the Agreement.

(E) The PBA acknowledges that certain proposed changes require an expedited response and may be implemented without undue delay, in those instances where

there is a waiver, exigent circumstances, or satisfaction of bargaining to resolution or impasse.

SECTION 9 – Academy Access

Where the agency operates its own Academy and conducts entry-level law enforcement training, the PBA will be notified of the date time and location of such training, and the parties will determine the date and time the PBA will be granted academy access. A representative of the PBA, accompanied by the head of the Academy, will be permitted to address each entry-level law enforcement class during class time, to issue to each recruit a copy of the current PBA Agreement, to discuss the provisions of that Agreement and to describe the organization and benefits. Said presentation will not last longer than thirty (30) minutes, unless a longer period is mutually agreed to by the PBA and the agency, and may be made only once per class at a time mutually selected in advance by the PBA, the representative of the head of the academy and the agency head or designee.

It is understood by the parties that the PBA will not use this time to obtain executed applications for membership or dues for deduction.

Article 6 GRIEVANCE PROCEDURE

It is the policy of the State and the PBA to encourage informal discussions of complaints between management and supervisors covered by this Agreement, as well as between those supervisors and covered employees. Such discussions should be held with a view to reaching an understanding which will resolve the matter in a manner satisfactory to the employee, without need for recourse to the formal grievance procedure prescribed by this Article.

SECTION 1 - Definitions

As used in this Article:

(A) "Grievance" shall mean a dispute involving the interpretation or application of the specific provisions of this Agreement, except as exclusions are noted in this Agreement.

(B) "Employee" shall mean a law enforcement employee or a group of law enforcement employees having the same grievance. In the case of a group of employees, one shall be designated by the group to act as spokesperson and to be responsible for processing the grievance.

(C) "Days" shall mean calendar days, excluding any day observed as a holiday pursuant to the Rules of the State Personnel System. If the due date for a grievance response or for a grievance submission to a step or to arbitration falls on a weekend or a holiday, the action shall be due the next business day.

SECTION 2 - Election of Remedy and Representation

(A) If an employee or the PBA has a grievance which may be processed under this Article and which may also be appealed to the Florida Public Employees Relations Commission, the employee or the PBA shall elect at the outset which procedure is to be used and such election shall be binding on the employee or the PBA. In the case of any duplicate filing, the action first filed will be the one processed.

(B) An employee who decides to use this Grievance Procedure shall indicate at Step 1 (or the initial written step if authorized by the provisions of this Article) whether or not he shall be represented by the PBA. When the employee has elected PBA representation, both the employee and the PBA Representative shall be notified of any Step 1 meeting. Further, any written communication concerning the grievance or its resolution shall be sent to both the employee and the PBA representative, and any decision mutually agreed to by the State and the PBA shall be binding on the employee.

(C) If the employee is not represented by the PBA, any adjustment of the grievance shall be consistent with the terms of this Collective Bargaining Agreement. The PBA shall be given reasonable opportunity to be present at any meeting called for the resolution of such grievance. An employee using this procedure in the processing of a grievance will be bound by the procedure established by the Parties to the Agreement.

The PBA shall not be bound by the decision of any grievance or arbitration in which the employee was not represented by the PBA.

SECTION 3 - Procedures

(A) Employee grievances filed in accordance with this Article should be presented and handled promptly at the lowest level of management having the authority to adjust the grievances.

(B) There shall be no reprisals against any of the participants in the procedures contained herein by reason of such participation.

(C) The filing or pendency of any grievance under the provisions of this Article shall in no way operate to impede, delay or interfere with the right of the State to take the action complained of; subject, however, to the final disposition of the grievance.

(D) Once a grievance is presented, no new violation or issue can be raised, unless the Parties mutually agree in writing to revise or amend the alleged violations or issues or for good cause but in no event less than seven (7) days prior to any arbitration hearing. When an issue is unchanged, but it is determined that an article, section or paragraph of the Agreement has been cited imprecisely or erroneously by the employee, then the employee shall have the right to amend that part of his grievance.

(E) The resolution of a grievance prior to its submission in writing at Step 2 shall not establish a precedent binding on either the PBA or the State in other cases.

(F) If a grievance meeting is held or requires reasonable travel time during the working hours of any required participant, such participant shall be excused without

loss of pay for that purpose. Attendance at grievance meetings outside of the regular working hours shall not be deemed time worked. All grievance meetings shall be held at times and locations mutually agreed to by the parties, except that, unless mutually agreed otherwise, all meetings shall be held within fifty (50) miles of the grievant's place of work.

(G) Grievances shall be presented and adjusted in the following manner, and no one individual may respond to a grievance at more than one written step.

(H) Grievances and grievance responses may be filed by hand-delivery, mail (including e-mail), courier, or electronic facsimile. If sent via electronic facsimile, the burden shall be on the sending Party to confirm the correct electronic facsimile number before transmission. Documents shall be deemed filed upon receipt during regular business hours (8:00 a.m. to 5:00 p.m.). Documents received after business hours shall be considered received the next business day.

Step 1.

(A) An employee having a grievance may within fourteen (14) days following actual knowledge of the occurrence of the event giving rise to the grievance submit a grievance at Step 1. Nothing in this procedure shall preclude an employee from presenting concerns through informal discussions with management representative. In filing a grievance at Step 1, the employee or his designated representative shall submit to the Step 1 Management Representative a grievance form setting forth specifically the known facts on which the grievance is based, the specific provision or provisions of the Agreement allegedly violated, and the relief requested. In discipline cases, it shall be presumed that the grievance alleges that the discipline was without just cause, and requests, as relief, at a minimum, reinstatement, full make whole relief.

(B) The Step 1 Management Representative or his designee shall communicate a decision in writing to the employee and to the PBA Grievance Representative, if any, within fourteen (14) days following receipt of the grievance form. If the Management Representative fails to respond within the time limit it shall be deemed a denial.

Step 2.

(A) If the grievance is not resolved at Step 1, the employee or his designated representative may submit it to the Agency Head or his designated representative within fourteen (14) days after receipt of the decision at Step 1.

(B) The Agency Head or his designated representative shall communicate a decision in writing to the employee and the PBA Grievance Representative, if any, within fourteen (14) days following receipt of the written grievance. If the Agency Head fails to respond within the time limits it shall be deemed a denial.

Step 3.

(A) If the grievance is not resolved at Step 2, the PBA may appeal the grievance to arbitration within fourteen (14) days after receipt of the decision at Step 2. If, at the initial written step, the PBA declined to represent the employee because he was not a

member of the PBA, the employee may appeal the grievance to arbitration. The grievance shall include a copy of the grievance forms submitted at Steps 1 and 2 together with all written responses and documents in support of the grievance. The Department of Management Services may have a meeting with the PBA Staff Representative or his designee to discuss the grievance.

(B) The arbitrator shall be one person from a panel of four (4) arbitrators selected by the Parties.

(C) The parties may, by mutual agreement in writing, submit related grievances for hearing before the same arbitrator. Arbitration hearings shall be held at times and locations mutually agreed to by the parties; however, unless mutually agreed otherwise, all hearings shall be held within fifty (50) miles of the grievant(s)' place of work.

(D) The arbitrator may fashion an appropriate remedy to resolve the grievance and, provided the decision is in accordance with his jurisdiction and authority under this Agreement, shall be final and binding on the State, the PBA, the grievant(s), and the employees in the bargaining unit. In considering a grievance the arbitrator shall be governed by the following provisions and limitations:

(1) The arbitrator shall issue his decision not later than fourteen (14) days from the date of the closing of the hearing or the submission of briefs, whichever is later.

(2) The arbitrator's decision shall be in writing, and shall set forth the arbitrator's opinion and conclusions on the issue(s) submitted.

(3) The arbitrator shall have no authority to determine any other issue, and shall refrain from issuing any statement of opinion or conclusion not essential to the determination of the issues submitted.

(4) The arbitrator shall limit his decision strictly to the application and interpretation of the specific provisions of this Agreement.

(5) The arbitrator shall be without power or authority to make any decisions that are:

(a) Contrary to or inconsistent with, adding to, subtracting from, or modifying, altering or ignoring in any way, the terms of this Agreement, or of applicable law or rules or regulations having the force and effect of law.

(b) Limiting or interfering in any way with the power, duties and responsibilities of the State under its Constitution, applicable law, and rules and regulations having the force and effect of law, except as such powers, duties and responsibilities have been abridged, delegated or modified by the express provisions of this Agreement.

(6) The arbitrator's award may include back pay, to the Grievant(s); however, the following limitations shall apply to such monetary awards:

(a) No award for back pay shall exceed the amount of pay the employee would otherwise have earned at his regular rate of pay and such back pay shall not be retroactive to a date earlier than the date of the occurrence of the event giving rise to the grievance under consideration.

(b) The award shall not exceed the actual loss to the grievant, will not include punitive damages, and will be reduced by the amount of wages earned from other sources excluding unemployment compensation received by the employee during the period of time affected by the award.

(c) The fees and expenses of the arbitrator shall be borne solely by the party who fails to prevail in the hearing; however, each party shall be responsible for compensating and paying the expenses of its own representatives, attorneys and witnesses. Should the arbitrator fashion an award in such a manner that the grievance is sustained in part and denied in part, the State and the PBA will evenly split the arbitrator's fee and expenses.

(d) The PBA will not be responsible for costs of an arbitration to which it was not a Party.

SECTION 4 - Time Limits

(A) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the employee, or the PBA, where appropriate, to proceed to the next step. The State will make a good faith effort to timely communicate decisions at each step.

(B) The number of days indicated at each step should be considered as a maximum, and every effort should be made to expedite the process. However, the time limits specified in any step of this procedure may be extended, in any specific instance, by mutual written agreement.

(C) Claims of either an untimely filing or untimely appeal shall be made at the step in question.

SECTION 5 - Exceptions

(A) Nothing in this Article or elsewhere in this Agreement shall be construed to permit the PBA or an employee to process a grievance (1) in behalf of any employee without his consent, or (2) with respect to any matter which is the subject of a grievance, appeal, administrative action before a government board or agency, or court proceeding, brought by the PBA .

(B) All grievances will be presented at the initial step with the following exceptions:

(1) If a grievance arises from the action of an official higher than the Step 1 Management Representative, the grievance shall be initiated at Step 2 or 3, as appropriate, by submitting a grievance form as set forth in Step 1 within fourteen (14) days following the actual knowledge of the occurrence giving rise to the grievance.

(2) The PBA shall have the right to bring a class action grievance on behalf of bargaining Unit employees in its own name, concerning disputes relating to the interpretation or application of this Agreement. Such grievance shall not include disciplinary actions taken against an employee. The PBA 's election to proceed under this Article shall preclude it from proceeding in another forum on the same issue. Such grievance shall be initiated at Step 2 or, where more than one agency is implicated, Step 3 of this procedure, in accordance with the provisions set forth herein, within fourteen (14) days of the knowledge or reasonable knowledge of the occurrence of the event giving rise to the grievance.

SECTION 6 – Expedited Arbitration

(A) The parties recognize that certain grievances are amenable to expedited resolution by an arbitrator. Accordingly at any point in the grievance procedure, the PBA may request expedited arbitration of any grievance. Requests for expedited arbitration shall be granted in cases involving arbitrable disciplinary action less than discharge. In all other cases, expedited arbitration will be used in instances of mutual agreement.

(B) Expedited Arbitration Rules:

(1) When a grievance is to be resolved via expedited arbitration, all remaining steps in the grievance procedure are skipped and the grievance is submitted directly to the expedited arbitrator.

(2) The arbitrator is designated by rotation from the list of four (4) permanent arbitrators.

(3) Expedited arbitration hearings shall be no longer than four (4) hours in duration, with each party limited to two (2) hours, with a maximum of two (2) witnesses per party, and one (1) rebuttal witness if necessary. There shall be no post-hearing briefs, although either party may submit written statement of position to the arbitrator during the hearing. The Arbitrator shall issue a short (no longer than three (3) pages) decision within seven (7) days of the hearing. With the exception of the foregoing, all provisions of Section (3)(J)(5) of this procedure shall be applicable.

Article 7 INTERNAL INVESTIGATIONS

SECTION 1 - Internal Investigations

(A) The parties recognize that law enforcement personnel occupy a special place in American society. Therefore, it is understood that the State has the right to expect that a professional standard of conduct be adhered to by all law enforcement personnel regardless of rank or assignment. Since internal investigations may be undertaken to inquire into complaints of law enforcement misconduct, the State reserves the right to conduct such investigations to uncover the facts in each case, but expressly agrees to carefully guard and protect the rights and dignity of accused personnel. In the course of any internal investigation, the investigative methods employed will be consistent with the law (including but not limited to Section 112.532, Florida Statutes) and this agreement; nothing in this agreement, however, shall be deemed to diminish the rights of employees under applicable law.

(B) When an allegation is made against an employee, the State will make every reasonable effort to ensure that the allegation and any related statements are reduced to writing, under oath, and signed. The written allegation shall be known as a complaint.

(C) When an employee is to be questioned or interviewed concerning a complaint or allegation, the employee will be informed prior to the interview of the nature of the investigation and whether he is the subject of the investigation or a witness in an investigation. Employees shall be informed of the right to have a union representative in attendance at the interview and where requested, an employee shall be given forty-eight (48) hours to contact, consult with and secure the attendance of a representative at the interview. If he is the subject of the investigation, the employee and his representative will also be informed of each complaint or allegation against him and they shall be permitted to review all written statements and recordings made by the complainant and witnesses will be made available for review at least one (1) hour prior to the commencement of the interview in accordance with Section 112, Florida Statutes. In the event the written statement or recordings are such that additional review time is warranted, the employee may request and be granted additional time unless the request is made for the purposes of delay. Pursuant to Section 112.533, Florida Statutes, the employee who is the subject of the investigation shall not disclose the contents to anyone other than his representative or attorney until the investigation is complete.

(D) Interviews and questioning of employees shall be conducted in a professional manner. Statements from an employee shall not be taken in a coercive manner.

(E) The formal interrogation of a law enforcement officer shall comply with the provisions of Florida Statutes, Section 112.532. The employee shall receive a copy of his written or recorded statement at no cost to the employee. No recording or transcription of the investigative interview will be made without the knowledge of all participants present at the interview.

(F) In cases where the agency determines that the employee's absence from the work location is essential to the investigation and the employee cannot be reassigned to other duties pending completion of the investigation, the employee shall be placed on administrative leave with pay.

(G) Unless required by statute, no employee shall be required to submit to a polygraph test or any device designed to measure the truthfulness of his responses during an investigation of a complaint or allegation.

(H) Only sustained findings may be inserted in personnel records. Unfounded findings shall not be inserted in permanent personnel records or referred to in performance reviews.

(I) Internal investigations will ordinarily be completed within forty-five (45) days from the date the complaint is filed, unless circumstances necessitate a longer period. An investigation shall not exceed one hundred and twenty (120) days without the approval of the Agency head or designee. Except in the case of a criminal investigation, the employee shall be notified in writing of any investigation that exceeds one hundred and twenty (120) days.

(J) The employee under investigation shall be advised in writing of the results of the investigation at its conclusion.

(K) The State will make a good faith effort to train persons who investigate charges against law enforcement employees in the investigative rights reserved for those employees in the interest of avoiding infringement of those rights.

(L) In the case of criminal, non-administrative internal investigation into the criminal misconduct of a sworn employee, the provisions of (B) through (K) shall not apply.

Article 8 WORK FORCE REDUCTION

SECTION 1 - Layoffs

(A) When bargaining Unit employees are to be laid off, the State shall implement such layoff in the following manner:

(1) For bargaining Unit employees, the competitive area within which layoffs will be affected shall be defined as statewide within each agency.

(2) Layoff shall be by occupational level within the Law Enforcement bargaining unit.

(3) An employee who does not have permanent status in the Career Service System may be laid off without applying the provision for retention rights.

(4) No employee with permanent status in the affected broadband level shall be laid off while an employee who does not hold permanent status is serving in that broadband level unless the permanent employee does not elect to exercise his retention rights or does not meet the selective competition criteria.

(5) All employees who have permanent status in the affected broadband level shall be ranked on a layoff list based on the total retention points derived as follows:

(a) Length of service retention points shall be based on one point for each month of continuous service in a Career Service position.

(1) An employee who resigns from one Career Service position to accept employment in another Career Service position is not considered to have a break in service.

(2) An employee who has been laid off and is reemployed within one year from the date of the layoff, shall not be considered to have a break in service.

(3) Moving from Career Service to Selected Exempt Service or Senior Management Service and back to Career Service does not constitute a break in service unless the employee's break in service is more than 31 calendar days. Only time spent in the Career Service can be counted in calculating retention points.

(b) Retention points deducted for performance not meeting performance standards or work expectations defined for the position shall be based on the five years immediately prior to the agency's established cutoff date. Five points shall be deducted for each month an employee has a rating below performance expectations.

(6) The layoff list shall be prepared by totaling retention points. Employees eligible for veterans' preference pursuant to Section 295.07(1)(a) or (b), Florida Statutes, shall have ten percent added to their total retention points, and those eligible pursuant to Section 295.07(1)(c) or (d) shall have five percent added.

(7) The employee with the highest total retention points is placed at the top of the list, and the employee with the lowest retention points is placed at the bottom of the list.

(8) The employee at the top of the list shall bump the employee at the bottom of the list. The next highest employee on the list and the remaining employees shall be handled in the same manner until the total number of filled positions in the broadband level to be abolished is complete.

(9) Should two or more employees have the same combined total of retention points, the order of layoff shall be determined by giving preference for retention in the following sequence:

(a) The employee with the longest service in the affected broadband level.

(b) The employee with the longest continuous Career Service.

(c) The employee who is entitled to veteran's preference pursuant to Section 295.07(1), Florida Statutes.

(10) An employee who has Career Service status and who is to be laid off shall be given at least 14 calendar days notice of such layoff or in lieu thereof, two weeks pay or a combination of days of notice and pay, in lieu of the full 14 calendar days notice, to be paid at the employee's current hourly base rate of pay. The notice of layoff shall be in writing and sent to the

employee by certified mail, return receipt requested. Within 7 calendar days after receiving the notice of layoff, the employee shall have the right to request a demotion or reassignment within the competitive area in lieu of layoff to a position in a broadband level within the bargaining unit which the employee held permanent status, or to a position at the level of or below the current level in the bargaining unit, in which the employee held permanent status. Such request must be in writing and reassignment or demotion cannot be effected to a higher broadband level.

(11) An employee's request for demotion or reassignment shall be granted unless it would cause the layoff of another employee who possesses a greater total of retention points.

(12) An employee who is adversely affected as a result of another employee having a greater number of retention points shall have the same right of reassignment or demotion under the same procedure as provided in this section.

(13) If an employee requests a demotion or reassignment in lieu of layoff, the same formula and criteria for establishing retention points shall be used as prescribed in this section.

(B) If there is to be a layoff of employees the State shall take all reasonable steps to place any adversely affected employees in existing vacancies for which they are qualified.

(C) If work performed by employees in this unit is to be performed by non-State employees, the State agrees to encourage the employing entity to consider any adversely affected unit employees for employment in its organization if the State has been unable to place the employees in other positions within the Career Service System.

SECTION 2 - Recall

(A) For a period of six (6) calendar months following layoff, when a vacancy occurs or a new position is established, laid off employees with the highest number of retention points shall be notified and permitted the opportunity to apply.

(B) Any appointment offer by the employing agency shall be subject to agency needs and sufficient funds and salary rate for the vacant position.

(C) Employees who are reemployed after layoff in a position in the broadband level from which the employee was laid off shall be reemployed with permanent status.

SECTION 3 - Retirement Benefits

Pursuant to Section 121.021(38), Florida Statutes, an absence from the employer's payroll for a period of not to exceed twelve (12) calendar months due to a "layoff" by the State shall not constitute a break in the continuous service requirement as provided in Section 121.021, Florida Statutes, for special risk members.

SECTION 4 - Job Security

(A) The State shall notify the PBA at least thirty (30) days in advance of a layoff involving positions within the bargaining unit. Thirty (30) days prior to the actual layoff decision, the State will meet and negotiate with the PBA over the necessity of the layoff, alternatives to the proposed layoff and like and related matters. However, these negotiations shall not delay the implementation of layoffs after completion of the thirty (30) days bargaining period. The union will not pursue statutory impasse resolution procedures after the satisfaction of this bargaining obligation.

(B) At least thirty (30) days prior to affecting a planned organizational change which will result in the movement of positions out of the bargaining unit, or in the demotion of Unit employees, the agency will notify the Department of Management Services of the changes. If the Department of Management Services determines that bargaining Unit employees are impacted by the changes under Chapter 447, Florida Statutes, it will notify the PBA of the changes.

Article 9

REASSIGNMENT, TRANSFER, CHANGE IN DUTY STATION, AND PROMOTION

Employees who have attained permanent status in the Career Service shall have the opportunity to request and be selected for vacant positions in their current class within the respective agency in accordance with the provisions of this Article.

SECTION 1 - Definitions

As used in this Article:

(A) "Change in Duty Station" shall mean the moving of an employee to a duty station located within fifty (50) miles of his current duty station.

(B) "Duty station" shall mean the place which is designated as an employee's official headquarters.

(C) "Occupational level" shall mean the same level within the employee's current occupation within the State classification system.

(D) "Reassignment" shall mean the moving of an employee from a position in one occupational level to a different position in the same occupational level with the same essential knowledge, skills and abilities, regardless of the location of the position.

(E) "Transfer" shall mean the moving of an employee from one geographic area of the State to a different geographic location which is in excess of fifty (50) miles from the employee's current duty station.

(F) "Promotion" shall mean the moving of an employee from a position in one occupational level to a different position in another occupational level having a higher maximum salary, provided the position in the higher occupational level is in the bargaining Unit.

(G) "Demotion" shall mean the moving of an employee from a position in one occupational level to a different position in another class/occupational level having a lower maximum salary.

SECTION 2 – Reassignment, Transfer, Change in Duty Station

(A) An employee who has attained permanent status in the Career Service System may apply for a reassignment on a Request for Reassignment Form (supplied by the agency). Such Requests shall indicate the county(ies) and/or shift(s) to which the employee would like to be reassigned. When the employee requests reassignment, a State of Florida Employment Application Form must be completed and sent with the Request for Reassignment Form.

(B) An employee may submit a Request for Reassignment Form at any time; however, all such Requests shall expire on June 30 of each calendar year. Requests for reassignment for the next fiscal year may be filed on June 1 of the preceding fiscal year.

(C) All Request for Reassignment Forms shall be submitted to the agency head or his designee who shall be responsible for furnishing a copy of each such Request to the management representatives who have the authority to make employee hiring decisions in the county to which the employee has requested reassignment. The employee shall provide a copy of the Request to the PBA at the time it is filed with the agency.

(D) Except where a vacancy is filled by demotion, or where reassignment is not in the best interests of the agency, the management representative having hiring authority for that vacancy shall give first consideration to those employees who have submitted a Request for Reassignment Form; provided, however, that employees whose Request for Reassignment is not submitted by the first day of the month shall not be considered for vacancies which occur during that month.

(E) Provided the reassignment is in the best interest of the agency, the hiring authority shall normally fill a permanent vacancy with the employee who has the greatest length of service in the occupational level and who has a Request for Reassignment Form on file for the county in which the vacancy exists. The Parties agree, however, that other factors, such as employees' work history and agency needs, may be taken into consideration in making the decision as to whether or not the employee with the greatest length of service in the occupational level will be placed in the vacant position.

(F) If the employee with the greatest length of service in the occupational level is not selected for the vacant position, the Agency shall notify the employee selected with reasons for the selection. Employees with greater length in service will be allowed to obtain a copy of the notice.

(G) When an employee has been reassigned pursuant to a Request filed under this Article, all other pending Requests shall be canceled. No other Request may be filed under this Article for a period of twelve (12) months following the employee's reassignment. If an employee declines an offer of reassignment pursuant to a Request filed under this Article, the employee will not be eligible for consideration for

reassignment to the county(ies) and/or shift(s) declined, for a period of twelve (12) months.

(H) An employee shall not be required to change residence for the sole purpose of living within a specific county; however, an employee may be required to reside within a reasonable distance of a specific duty station.

(I) Nothing contained in this Agreement shall be construed to prevent an agency, at its discretion, from affecting the involuntary reassignment, transfer or change in duty station of any employee according to the needs of the agency. However, it is understood that the agency will make an effort not to affect any involuntary reassignment, transfer or change in duty station which will impose a residency hardship on the employee (in that he must relocate his residence from a permanent home presently owned or cancel a rental lease extending more than three (3) months), without first considering any Request for Reassignment Forms on file for the county in which the agency need exists.

(J) An employee shall be given a minimum of fourteen (14) calendar days' notice prior to the agency affecting any shift change or reassignment and thirty (30) calendar days' notice prior to the agency affecting any transfer.

(K) Nothing contained in this Agreement shall be construed to prevent the State from making reassignments, shift changes, transfers, or changes in duty stations of any employee during an emergency or as otherwise required to meet urgent law enforcement needs of the State.

SECTION 3 - Relocation Allowance

An employee who is reassigned or promoted and who is required by agency policy to relocate his residence shall be granted time off with pay for one (1) work day leave for purposes of relocating his residence. In addition, the employee shall be granted travel time to the new location based on the most direct route. No employee will be credited with more than the number of hours in the employee's regular workday and such time shall not be counted as hours worked for the purpose of computing compensatory time or overtime.

SECTION 4 - Request to Take Promotional Test

The State and the PBA agree that promotions should be made based on the relative merit and fitness of applicants. Toward the goal of selecting the most qualified applicant for each promotional vacancy, the parties agree that the provisions of this Article along with all provisions of the Rules of the State Personnel System will be followed when making such appointments.

(A) If an agency has established a promotional test, an employee who has attained permanent status in the Career Service System may apply to take a the promotional test by submitting a Request to Take Test Form to the agency in which the promotional position is located that he wishes to be considered for promotional vacancies. Such request shall indicate the occupational level(s) to which the employee would like to be promoted. If the request is for promotion to a position in the same agency, the employee's eligibility for the occupational level shall be made

from information in the employee's personnel file. If the request is for a promotion to a position in any agency other than the agency in which the employee is currently employed, a State of Florida Employment Application Form must be completed and sent with the employee's request for promotional consideration. In such cases, the employee's eligibility shall be determined by the agency by the use of this completed application. Each applicant will be notified of his eligibility or ineligibility for the occupational level(s) applied for.

(B) An employee may submit a request to take a promotional test where established by an agency at any time; however, all such requests must be filed every two (2) years and must be received in the agency personnel office by no later than the first business day after January 15 of each calendar year and shall remain effective until revoked by the employee.

(C) If an agency has established a promotional test, by January 15 of each calendar year, the central personnel office of each agency shall provide a "NOTICE OF PROMOTIONAL TEST" containing the following information:

- (1) The date(s) of the test(s),
- (2) The city(ies) where the test(s) will be administered,
- (3) The major categories to be covered by each test,
- (4) A bibliography of the sources from which test questions have been taken; e.g., name of textbooks, departmental policies, general orders, special orders, etc.
- (5) The passing grade that must be attained, expressed as a percent (%) of correct answers to the total number of questions graded.

(D) By February 15 of each calendar year, each agency shall furnish to those eligible employees whose test requests are on file in that agency, a copy of the "NOTICE OF PROMOTIONAL TEST". The respective agency shall be responsible for the administration of the written test no earlier than April 15 of each calendar year and only those employees whose names are furnished to the agency will be eligible to take the promotional test.

(E) Each agency that has established a promotional test and administers a written test shall be responsible for notifying each employee who takes a promotional test of the test results.

(F) When extraordinary circumstances make it necessary to give a promotional test at a time other than as set forth above, the employees will be given adequate notice to prepare for such special test.

SECTION 5 - Test Standards and Criteria

(A) The respective State agency shall be responsible for the development of all written promotional tests which shall be based upon a job task analysis of the occupational level of positions being tested and an assessment of the knowledge,

skills and abilities necessary to perform the requirements of positions in the occupational level.

(B) Only persons who have been certified as a law enforcement officer pursuant to Chapter 943, Florida Statutes, shall be eligible for agency promotional tests.

(C) A one-hour test review will be held at the conclusion of each test session. All challenges to test items must be submitted in writing and received by the respective State agency within five (5) days after the date of the test.

SECTION 6 - Promotional Lists

(A) If the agency does not elect to rank employees solely on the basis of a written test, the agency shall establish a promotional list which ranks the employees according to their relative merit and fitness for promotional vacancies in the occupational level. In addition to the written test score, the agency may, at its discretion, utilize the employee's performance reviews and/or oral interviews in establishing the agency's final promotional list. When performance reviews and/or oral interviews are used, in addition to written test scores the agency shall advise PBA in writing as to the weight the agency proposes to accord to each criteria in establishing the agency promotional list. The PBA may upon request discuss the criteria and weight to be accorded in addition to written test scores. If an agency utilizes oral interviews, it will establish a three member panel, one to be selected by the agency head or his designee, one by mutual agreement of the parties, and the third to be selected by the PBA, provided that no member of the panel may be an employee covered by this Agreement. Questions asked at an oral interview will be limited to those that are clearly job related and the same questions shall be asked of all applicants.

(B) The agency promotional list shall be effective July 1st of each calendar year. Names shall be retained on the agency's promotional list for a period of one year. Time extensions of said list may be made only by the mutual consent of the parties. When a list is established as a result of a special test being given pursuant to Section 2(D) above, it shall remain in force through June 30 of the calendar year.

(C) The agency's promotional list, consisting of the name, final score and position on the appropriate list, shall be furnished to each employee who passed the written test.

SECTION 7 - Method of Filling Vacancies

(A) Except where a vacancy is filled by demoting a law enforcement employee or by reassignment, any person who is to be selected for a vacancy must first have his name placed on the agency's promotional list in accordance with the criteria set forth in this Article. Upon the employee receiving his copy of the agency promotional list, the employee who wishes to be considered for promotional opportunities shall file with the agency a Request for Promotion Form which shall indicate the occupational level(s) and the county(ies) to which the employee would like to be promoted. The vacancy shall be filled from among the persons having the highest five numerical scores contained on the promotional list who have applied for the vacancy. However, an agency shall have the discretion to fill a vacancy from only the

highest five numerical scores of current agency or bargaining Unit employees contained on the agency's promotional list. Agencies shall attempt to fill vacancies in an expeditious manner when operationally feasible.

(B) In filling vacancies, the agency will first consider any pending Request for Reassignment forms on file for the work area in which the agency need exists. Nothing contained in this agreement shall be construed to prevent an agency from filling a vacancy in a manner meeting the agency's needs.

SECTION 8 – Grievability

The initiation of a grievance claiming a residency hardship shall stay any required change in residence until final disposition of the grievance. In considering such a grievance weight shall be given to the needs of the agency against the hardship on the employee.

SECTION 9 – Promotions Outside the Unit

The State shall make a good faith effort to fill vacant positions in the rank immediately above the bargaining unit with employees of the bargaining unit. This provision is not subject to the Article 6 grievance procedure.

SECTION 10 – Probationary Status

An employee who has obtained permanent status in a position in a broadband level who fails, due to the performance of the new duties, to satisfactorily complete the probationary period in the promotional broadband level shall be demoted to the former broadband level previously held by the employee in an available vacant position in the employing agency or may, at the discretion of the agency in which the employee was previously employed when the employee successfully completed probation, be demoted to an available vacant position.

(A) Such a demotion shall be with permanent status, provided the employee held permanent status in the lower broadband level.

(B) The employee's salary will be reduced in accordance with the agency's pay upon demotion policy.

(C) Such demotion shall not be grievable under the contractual grievance procedure.

Article 10 DISCIPLINARY ACTION

(A) An employee who has permanent status in the Career Service System may be disciplined only for just cause.

(B) An employee who has not attained permanent status in the Career Service System shall not have access to the grievance procedure in Article 6 when dismissed.

(C) Each employee shall be furnished a copy of all disciplinary actions placed in his official personnel file and shall be permitted to respond thereto.

(D) An employee may request that a PBA Staff Representative be present during any disciplinary investigation meeting in which the employee is being questioned relative to alleged misconduct of the employee, or during a predetermination conference in which suspension or dismissal of the employee is being considered.

(E) Letters of counseling are not disciplinary action and not grievable; documentation or discipline less severe than an oral reprimand shall not be used against any employee in any fashion.

(F) Suspensions, Dismissal, Reductions in Pay, and Demotions resulting in a loss of pay may be challenged under Article 6 through arbitration. Oral reprimands, written reprimands or other disciplinary actions not resulting in monetary loss are grievable to Step 2 only and not arbitrable. At arbitration over a suspension, dismissal, reduction in pay, or demotion with a monetary loss an employee may challenge any basis relied upon by the Agency for taking the disciplinary action.

Article 11 CLASSIFICATION REVIEW

(A) Except in case of an emergency, bargaining Unit employees shall not be required to perform work not included in the employee's position description.

(B) When an employee alleges that the employee is being regularly required to perform duties which are not included in the position description of the position being filled by the employee, and the employee alleges that the duties assigned are not included within the broadband level to which the position is allocated, the employee may request that the agency head review the duties assigned to the employee's position. The agency head or his designee shall review the duties as requested. The employee will receive a copy of the decision.

(C) If the employee is not satisfied with the decision, the employee, with or without representation, may request review by the Secretary of the Department of Management Services or his designee.

(D) The decision of the Secretary of the Department of Management Services or his designee as to the broadband level of the position shall be final and binding on all parties.

Article 12 PERSONNEL RECORDS

SECTION 1 - Personnel File

(A) There shall be only one official personnel file for each law enforcement employee, which file shall be maintained in the central personnel office of the employing agency unless a different location is approved by the Secretary of the Department of Management Services or his designee in accordance with applicable law. Duplicate personnel files may be established and maintained within an agency. Such duplicate personnel files may contain part or all of the items filed in the official personnel file, but may not contain any items which are not filed in the official personnel file.

(B) If any derogatory material is placed in a law enforcement employee's official personnel file, a copy will be sent to the employee. The law enforcement employee will have the right to answer any such material filed, and his answer will be attached to the file copy.

(C) A law enforcement employee will have the right to review his own official personnel file and any duplicate personnel files at reasonable times under the supervision of the designated records custodian.

(D) Where the Agency Head or his designee, the Department of Management Services, the Florida Public Employees Relations Commission, the Courts, an Arbitrator, or other statutory authority determines that a disciplinary action against an employee is not sustained, or is unfounded, or is otherwise invalid, or when an employee is exonerated of a charge brought in a disciplinary action, the record copy of such action shall be sealed in the file together with an explanation, stamped "NOT VALID", and retained in the employee's personnel file for at least five (5) years after final action as specified in the State of Florida General Records Schedule GS1 for State and Local Government Records, as promulgated by the Department of State; provided, however, that the document shall be removed only upon the employee's written request in accordance with the foregoing records schedule.

SECTION 2 - Privacy

The State and its agencies recognize the fact that Law Enforcement bargaining Unit employees' home addresses, telephone numbers, photographs, places of employment of the spouses and children and the names and locations of schools attended by the children of bargaining Unit members are exempt from disclosure under the Public Records law, Chapter 119, Florida Statutes, and shall not be released except for a legitimate governmental purpose.

Article 13 SAFETY

SECTION 1 - Vehicle and Vessel Safety

Vehicles and vessels used by bargaining Unit employees, whether issued to the employee or not, shall be maintained in safe operating condition by the State.

SECTION 2 - Firearms Safety

In order to promote safety in the use of firearms by Law Enforcement Bargaining Unit employees, the State will guarantee that each bargaining Unit employee is allowed to fire his weapon in an approved Standards and Training Course at least once every six (6) months, at no cost to employee. Such training shall be for the purpose of familiarization in the use of firearms.

SECTION 3 - Consultation

The parties agree to form a Safety Committee with an equal number of PBA and employer representatives, to study and recommend the purchase and maintenance of minimal standards of safety equipment. The Committee shall conduct research

and periodically make recommendations to the State and/or appropriate agencies with regard to:

- (A) That all vehicles shall incorporate standard "police packages", power windows, rear window defoggers, and heated rearview mirrors;
- (B) That all 4X4 vehicles be equipped with roll bars;
- (C) That all vehicles and vessels shall have a locking gun rack.
- (D) Crash barriers for inspection booths;
- (E) Use of radios by uniformed personnel not assigned marked vehicles; and
- (F) Other matters relating to equipment, vehicle, and vessel purchases; improvements to existing vehicles to enhance safety; training; and other matters relating to safety.

The recommendations of the Committee shall be submitted in writing to the appropriate agency head who shall respond, in writing, with respect to each recommendation. Rejection of any recommendation shall include written justification for the rejection.

The parties agree to execute a Memorandum of Understanding setting forth the composition and schedule for the Committee.

Article 14 PERFORMANCE REVIEW

SECTION 1 - Performance Reviews

- (A) The performance of permanent status bargaining Unit employees shall be reviewed in accordance with Section 110.224, Florida Statutes.
- (B) Employees' performance shall be reviewed by their immediate supervisors or designated raters, who shall submit the proposed performance review to higher management for approval.
- (C) Numerical arrest, citation or violation quotas will not be used as the primary factor in reviewing employees' performance.
- (D) The State will continue to maintain and will make a good faith effort to train supervisors in performance review techniques.
- (E) The performance review of an employee shall not be subject to the Grievance Procedure of Article 6 of this Agreement unless the performance review is relied upon in whole or in part as the basis for a disciplinary action under Article 10.

SECTION 2 - Agency Performance Reviews

The State agrees that each Agency's performance review system for bargaining Unit employees shall adhere to the following standards.

(A) Performance reviews shall be based on an employee's actual job performance and shall not conform to preconceived percentage distributions. When a numerical scoring formula is to be utilized by any agency, the evaluation form shall contain the formula with blanks for insertion of the actual scores that will be used in reaching the overall evaluation.

(B) Whenever practicable, an employee's performance shall be reviewed by a sworn law enforcement officer.

SECTION 3 - Recruit Evaluation

Bargaining Unit employees shall receive an evaluation from the academy upon completion of recruit school. A copy of the evaluation shall be forwarded to their Law Enforcement Unit supervisor.

Article 15 SENIORITY

SECTION 1 – Definition

For the purpose of this Agreement, "seniority" shall be defined as continuous service in the job classification; provided, however, that an employee shall be considered to have a break in service when the employee separates, and is not on any payroll for at least thirty-one (31) calendar days following the separation.

SECTION 2 - Seniority Application

Except under extraordinary circumstances, vacations, shifts, shift transfers and regular days off shall be scheduled with due regard for needs of the agency, seniority, and bargaining Unit employee preference. The State and the PBA understand that there may be times when the needs of the agency will not permit such scheduling.

SECTION 3 - Vacation and Holiday Leave

Where practicable, leave of forty (40) contiguous hours or more, or for holidays requested, shall be requested at least sixty (60) days in advance of such leave in order that the provisions of this Article may be fully implemented; however, in implementing this provision nothing shall preclude an agency from making reasonable accommodations for extraordinary leave requests or ensuring the fair distribution of leave during favored holidays.

Article 16 EMPLOYMENT OUTSIDE STATE GOVERNMENT

For purposes of this Article, the following definitions are used:

(A) "Hireback": Off duty police employment administered by the State.

(B) "Off-Duty Employment": Any secondary employment undertaken while in an off-duty status which does not entail the use or implied use of policy authority. Work of this type provides no real or potential law enforcement services, and vested policy powers are not a condition of employment.

(C) "Off-Duty Police Employment": Secondary employment undertaken while in order than a duty status which entails actual or potential use of policy authority and requires police powers as a condition of employment.

SECTION 1 - Outside Employment - Non-Police Employment

(A) On the effective date of this Agreement, any bargaining Unit employee who is performing non-police employment outside of State government, which employment has not been previously approved, shall be subject to the provisions of Section 1(B) of this Article.
