

A man was crossing a road one day when a frog called out to him and said, "If you kiss me, I'll turn into a beautiful princess." He bent over, picked up the frog, and put it in his pocket.

The frog spoke up again and said, "If you kiss me and turn me back into a beautiful princess, I will tell everyone how smart and brave you are and how you are my hero." The man took the frog out his pocket, smiled at it, and returned it to his pocket.

The frog spoke up again and said, "If you kiss me and turn me back into a beautiful princess, I will be your loving companion for an entire week."

The man took the frog out of his pocket, smiled at it, and returned it to his pocket.

The frog then cried out, "If you kiss me and turn me back into a princess, I'll stay with you for a year and do ANYTHING you want." Again the man took the frog out, smiled at it, and put it back into his pocket.

Finally, the frog asked, "What is the matter? I've told you I'm a beautiful princess, that I'll stay with you for a year and do anything you want. Why won't you kiss me?"

The man said, "Look, I'm a computer programmer. I don't have time for a girlfriend, but a talking frog is cool!"

## 12 Rules for Life

Sometimes we just need to remember what the 12 Rules of Life really are:

1. Never give yourself a haircut after three margaritas.
2. You need only two tools: WD-40 and duct tape. If it doesn't move and it should, use WD-40. If it moves and shouldn't, use the tape.
3. The five most essential words for a healthy, vital relationship are "I apologize" and "you are right."
4. Everyone seems normal until you get to know them.
5. Never pass up an opportunity to pee.
6. If he/she says that you are too good for him/her—believe them.
7. Learn to pick your battles; ask yourself, "Will this matter one year from now? How about one month? One week? One day?"
8. When you make a mistake, make amends immediately. It's easier to eat crow while it's still warm.
9. If you woke up breathing, congratulations! You have another chance!
10. Living well really is the best revenge. Being miserable because of a bad or former relationship just might mean that the other person was right about you.
11. Work is good, but it's not that important. Money is nice, but you can't take it with you. Statistics show most people don't live to spend all they saved; some die even before they retire. Anything we have isn't really ours; it's on loan to us while we're here... even our kids.
12. And finally...Be really good to your family and/or friends. You never know when you are going to need them to empty your bedpan.
